DDI 1893-82  
5 March 1982

MEMORANDUM FOR: Director of Central Intelligence  
Deputy Director of Central Intelligence

FROM: Robert M. Gates  
Deputy Director for Intelligence

SUBJECT: DDI Activity Report - I - 5 March 1982

### DCI/DDCI-Assigned Tasks

ALA is preparing an unclassified briefing on Central America at the request of the DCI and working on a fast track SNIE on the political situation in El Salvador.

EURA briefed the SSCI on East European trade and payment.

25X1

OGI prepared several reports on Soviet and East European raw material procurement from LDCs [REDACTED] and contributed to a report for the DCI on collection gaps against terrorism. 25X1

OSWR is expanding the DDCI-requested unclassified report on "Soviet Acquisition of Western Technology" which is due on 16 March.

SOVA provided information on the vulnerabilities of the Soviet economy in support of the DCI's address to the President's Economic Advisory Board.

### Of Special Interest This Week

OEA and OCR prepared a briefing package for USTR on Japanese policy and economic policy makers.

EURA, OGI, and SOVA are supporting the Acting NIO/USSR-EE on a short-fused request to support the Buckley mission to Europe.

NESA and OGI met with Senate Foreign Relations Committee staff members to discuss Iraqi and Syrian involvement in international terrorism. We can look forward to some awkward times on the Hill on this issue.

25X1

OSWR, at the request of the Executive Director, CIA, met with the Technical Consultive Panel of the SSIC to discuss the technology transfer problem.

SOVA and the Acting NIO/USSR-EE briefed two Vice Presidential staffers on Soviet succession politics and Brezhnev's assistants.

SOVA briefed the NY Times on Soviet economic prospects.

**Looking Ahead**

25X1

In view of Begin's latest illness, NESA will press to get a paper on Israeli succession out by mid-week.

An NSC Staffer is coming out for in-depth discussions with NESA on economic sanctions against Libya.

25X1

OIA, NPIC, and DIA will brief members of the Interdepartmental CBW Working Group on Soviet CW and the applications and limitations of imagery in CW treaty monitoring.

OSWR will brief the PFIAB on the technology transfer problem.
